Generator ULTIMATRON

ULT-3300-EU

Specification date

Equipment	ULT-3300
Continuous power	3000 W
Starting power	3300 W
Start	Manual
Sound power level at 7 meters	60 dB
Weight	24,5 kg
Fuel tank capacity	4,2 L
Emission class	Euro 5
Engine	OHV
Number of phases	1
Input sockets	2x230V/1x12V

Information

- Ultralight and mobile generator
- Very low noise level
- AVR - stable, high-quality energy
- Perfect for service work, technical support, and events
- Safe for sensitive electronics
