

Technical parameters	Hush 55
External dimensions length/width	240/120 cm
Height	224 cm
Rated power	30 kVA
Working temperature	-30/70 °C
Fuel tank	1000 L
Sound power level at 7 m reduced to 47.1 dB	55 dB
Voltage	400/230V
Rated current	86,7 A
Frequency	50 Hz
Rated speed	1500 rpm

#### Additional options

- Internal and external control panel
- Automatic fuel tank filling system
- Battery circuit disconnection system
- Remote start
- Automatic and regulated electronic battery charger
- Motor heating with single-phase power supply and fuses
- Electronic speed controller
- Enlarged fuel tank 2000L
- Housing made of aluminum
- Sound power level at 7 m reduced to 47.1 dB
